**Union City Borough Renaissance Grant Program
2020-2021**

APPLICATION GUIDELINES

The Union City Borough Renaissance Grant Program seeks to assist residential property owners to complete exterior repairs and permanent improvements of residential buildings in the areas of East High Street, South Street, West High Street and First through Sixth Avenue in order to enhance the appearance of the residential district. The purpose of the Renaissance Grant Program is:

- Remove housing blight and reverse deterioration
- Incentivize and spur private investment
- Make neighborhoods and communities more attractive
- Increase market value of homes
- Improve the municipal tax base

The Renaissance Block Grant is a matching grant program that makes funds available to improve the functionality and curb appeal of the private property.

Applicants will be required to meet with the Borough Manager prior to submitting an application and review project and budget details.

The grant will be made on a 1:1 matching basis. The maximum grant awarded will be \$5,000.

Grants will be made on a reimbursement basis, following a process which includes application submittal, review and approval, and construction. Applicants will receive grant funds after completion of the approved improvement project, submission of **digital** project photographs, and copies of invoices, receipts, and proof of payment(s). *Corry Federal Credit Union has created a loan program specifically for homeowners who are selected to be a part of the Renaissance Block Program. Information is included with this application. (*Some terms and conditions may apply. CFCU is an Equal Housing Lender and Federally Insured by NCUA.)

All projects must be completed within 180 days of grant award notification. Grant monies may not be used for permit fees, sidewalks, trees, flowers, or shrubs.

Priority will be given to projects that meet all of the criteria and will have the greatest overall impact on the area.

Eligibility:

Any person(s) owning property in the established boundaries is eligible to apply.

Funds are available for the following improvements:

1. Doors & windows visible from the street
2. Roofs, soffits, gutters and downspouts
3. Exterior lighting
4. Porches, stairs, steps
5. Painting, siding, shutters
6. Chimney and masonry repair

All improvements must comply with standards set forth in the Union City Borough zoning ordinance and building codes, as well as applicable sections of the Pennsylvania building codes and the federal Americans with Disabilities Act Accessibility Guidelines.

Grant funding may not be used to pay for work that is currently in progress or has been completed.

Only one application per property may receive funding.

Funding for phased projects will be considered on a case-by-case basis when compelling circumstances are presented by an applicant.

Applicants must be up-to-date and/or in compliance with all local, state and federal taxes.

Applicant must allow a sign recognizing the funding is from ECGRA. The sign will be provided and must be returned to the Borough of Union City at the end of the fall season.

Program Boundaries:

Residential properties that are on East High Street, West High Street, South Street, and First through Sixth Avenue are eligible for these grant funds, provided that all improvements are in compliance with the codes and ordinances of Union City Borough.

Prevailing Wage Act:

Because it is funded in part by the Erie County Gaming Revenue Authority, the Renaissance Grant Program is subject to the Prevailing Wage Act which specifies that if the entire project costs over \$25,000, prevailing wages must be paid to construction workers.

“The Pennsylvania Prevailing Wage Act (43 P.S. § 165-1 et seq.; 34 PA Code § 9.101 et seq.) may be applicable to this Project. If applicable, the Grant Recipient is responsible for including prevailing wage rates in all bid documents, specifications, and construction contracts pertaining to the Project. The Department of Labor and Industry (L&I) has final authority to make all prevailing wage applicability determinations.”

“Please note: Prevailing Wage requirements are generally applicable to grants for construction, demolition, reconstruction, alteration, repair work, renovations, build-out and installation of machinery and equipment in excess of \$25,000. Any questions as to final prevailing wage obligations should be directed to the Bureau of Law Compliance at 1-800-932-0665.”

SELECTION PROCESS

Grants will be awarded based upon the level of improvements and the vitality and significant impact the project will make to the neighborhood. Only complete applications will be accepted for processing.

The grant application will be reviewed by the Borough Manager. It will be evaluated by the completeness of information and supporting documents and compliance with the requirements of the Renaissance Grant Program.

The Borough Manager will present funding recommendations to Union City Borough Council for final approval.

Only work approved by Borough Council will be eligible for reimbursement through the Renaissance Grant Program. Project work may not begin until the property owner receives written approval from Union City Borough.

Once an application is approved, but before work may begin, the applicant must submit a work schedule for the approved project. All projects must be completed within a designated timeframe, agreed upon by Borough Council. If work is not completed in the agreed timeframe, all grant money will be forfeited. If unforeseen circumstances occur which delay the project, exceptions may be considered.

Approved projects are required to meet all applicable codes and ordinances of the Borough. Grantees are also required to secure any necessary permit(s) from the Borough or other appropriate parties before work can commence.

Once a project has been completed, the grantee must send a letter of project completion, **digital** "after" photographs, copies of all receipts and permits, and proof of payment for materials and labor to the Borough Manager.

It is the responsibility of the grantee to fulfill financial obligations to all contractors and sub-contractors for material and labor expenses.

Once the work is completed and reviewed by Borough Council, Union City Borough will reimburse the property owner in accordance with the terms of the grant within one month. Work not completed in accordance with the approved project description may be denied payment.

In order to receive reimbursement, the following will need to be satisfactorily addressed.

1. The project must be completed in conformance with the design plan and/or project as submitted, reviewed and approved by Borough Council.
2. If the scope of work, construction materials, or project timeline need to be changed, the grantee must obtain pre-approval from Borough Council.
3. The grantee must complete final inspections, if required by the Borough.
