Open House Session:
5:00 PM - 7:00 PM

WHAT

The Parks and Recreation Plan will provide action oriented strategies focused on Caflisch, Devereaux, First Avenue and Southwest Parks, a proposed Nature Park area, connections to French Creek and on other community recreation priorities. It is vital that residents are meaningfully engaged as the Plan is being developed. Therefore, an Open House style Community Workshop is being held to review the Park and Recreation improvements that will be included in the Plan.

TOPICS

Residents are encouraged to attend anytime between 5:00pm and 7:00pm. Attendees will be able to view Concept Plans for each Park area during the Open House Session. Representatives from the Borough, the Plan Steering Committee and The EADS Group, the consultant for this planning effort, will be available during the entire Session to discuss the Park and Recreation improvements.

**Attendees are asked to wear face masks and to observe social distancing requirements.*
