COUNCIL DISCUSSED PASSING AN ORDINANCE ABOLISHING WARDS IN THE BOROUGH.

Councilor Brumagin stated that he would like to consider abolishing the wards. A benefit to this would making it easier to fill vacancies because it wouldn't matter which ward a councilor resided in. Most small communities have done away with the wards. It also has an affect on the tax collection and would simplify reporting to the County. Solicitor Wachter said that it is possible to pass an ordinance abolishing the wards but the County Board of Elections office and the Secretary of State would have to give their approval. Also, it would require 7 Council members. Councilor Hoban asked if the polling locations would change. The Solicitor will find out and will continue the process as to everything that is required.
